

UNIQUEHORN

Little unicorn: 2.5 mm hook

Big unicorn: 4.0 mm hook

Safety eyes: 10 mm

The big unicorn is made exactly the same as the little one, but with double thread

Phil Coton 3 or Yarn and Colors Must-Have
or any other yarn with the same thickness
(fine-light (worsted) or thickness 2-3)

Abbreviations:

hdc: half double crochet

ch: chain

decr: decrease (invisible, unless stated otherwise)

mr: magic ring

st: stitch

...: repeat what is in between

Legs (2 front and 2 hind):

1: 6 hdc in the mr (6)

2: 2 hdc in each hdc (12)

3: 1 hdc in each hdc, back loop only (12)

4-9: 1 hdc in each hdc (12)

For the hind legs add one more row of hdc before the decr.

10/11: 1 hdc in each of the next 8 hdc (8), ch 1 and turn

11/12: 1 hdc in each of the next 8 hdc (8), ch 1 and turn

12/13: decr each hdc (4)

13/14: decr each hdc, not invisible (2)

Fasten off and leave a long thread to secure the legs
later on to the body

Fill the legs and for somewhat more firmness you can
put a piece of cardboard at the bottom of the leg

Tails and manes:

Crochet the amount of tails and manes you like, for the little unicorn 7 is a nice amount and for the big one 11. But actually... the more the better...!!!

1: Ch 16 for the tails and ch 21 for the respectively (but if you crochet quite tightly, make the chain a bit longer)

2: Turn and make 2 and 3 hdc alternately in each stitch (skip the first stitch)

Fasten off and leave a little (about 5 cm) piece of thread to secure the tails and manes to the body and head, respectively

Body:

1: 5 hdc in the mr (5)

2: 2 hdc in each hdc (10)

3: * 1 hdc, 2 hdc * in each hdc, repeat 4 more times (15)

4: 1 hdc in each hdc (15)

5: * 1 hdc, 1 hdc, 2 hdc in each hdc *, repeat 4 more times (20)

6-10: 1 hdc in each hdc (20)

Secure the tails to the body. Drag the two ends of the tail through two holes to the inside and secure with a double knot. Also both hind legs could already be attached to the body at this moment (or later on if you prefer).

11: * 1 hdc, 1 hdc, 1 hdc, 1hdc, 2 hdc in each hdc * repeat 3 more times (24)

12-13: 1 hdc in each hdc (24)

Also the front legs can be attached to the body at this moment.

14: * 1 hdc, 1 hdc, 1 hdc, 1 hdc, 1 decr * repeat 3 more times (20)

15: * 1 hdc, 1hdc, 1hdc, 1 decr * repeat 3 more times (16)

16: 1 decr in each 2 hdc (8)

17: 1 decr in each 2 hdc (4)

Fasten off (no need to leave a long thread)

Horn:

1: 3 hdc in the mr (3)

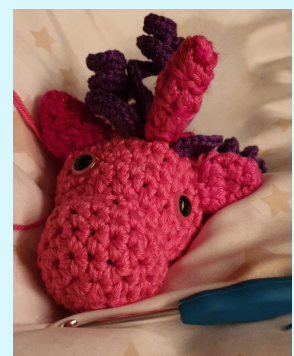

Crochet in the back loop only from now on

2: 2 hdc in each hdc (6)

3-5: 1 hdc in each hdc (6)

Fasten off and leave long thread to secure the horn to the head

You can weave or crochet with another colour through the front loops to give the horn two colours

Ears (make 2):

1: 4 hdc in the mr (4)

2: * 1 hdc, 2 hdc * in each hdc, repeat once more (6)

3: * 1 hdc, 1 hdc, 2 hdc * in each hdc, repeat once more (8)

4: * 1 hdc, 1 hdc, 1hdc, 2 hdc * in each hdc, repeat once more (10)

Fasten off and leave long thread to secure the ears to the head

Head:

1: 6 hdc in the mr (6)

2: 2 hdc in each hdc (12)

3: * 1 hdc, 2 hdc * in each hdc, repeat 5 more times (18)

4-5: 1 hdc in each hdc (18)

6: * 1hdc, 1 decr * in each hdc, repeat 5 more times (12)

7: 1 hdc in each hdc (12)

8: 2 hdc in each hdc (24)

9: 1 hdc in each hdc (24)

10: * 1 hdc, 1 hdc, 1 hdc, 2 hdc * in each hdc, repeat 6 more times (30)

11-12: 1 hdc in each hdc (30)

Place the eyes between round 9 and 10, leave about 7 stitches in between two eyes

13: * 1 hdc, 1 hdc, 1hdc, 1hdc, 1 decr * in each hdc, repeat 4 more times (25)

14: * 1 hdc, 1hdc, 1 hdc, 1 decr * in each hdc, repeat 4 more times (20)

Attache the horn, ears and manes to the head.

You can embroider the inside of the ears and make nostrils.

15: * 1 hdc, 1hdc, 1 decr * , repeat 4 more times (15)

16: * 1 hdc, 1 decr * , repeat 4 more times (10)

17: 1 decr in each 2 hdc (5)

Fasten off and leave a long thread to secure the head to the body

Many thanks to my testers!!!!
